Written Financial Policy

Thank you for choosing Thomas W Monahan IV DMD PA. Our primary mission is to deliver the best and most comprehensive dental care available. An important part of the mission is making the cost of optimal care as easy and manageable for our patients as possible by offering several payment options.

Payment Options:

You can choose from:

- Cash, Check, Visa, MasterCard or Discover Card

We offer a **5% courtesy** adjustment to patients without insurance, who pay for their treatment with **cash, cashier check, or money order** prior to completion of treatment of **\$1000 or more**.

- Convenient Monthly Payment Options from Care Credit Healthcare Credit Card
 - o Allow you to pay over time
 - o No annual fees or pre-payment penalties

Thomas W Monahan IV DMD PA requires payment prior to the completion of your treatment. If you choose to discontinue care before treatment is complete, your refund will be determined upon review of your case.

Patients who carry dental insurance understand that all dental services rendered are charged directly to the patient and that he or she is personally responsible for payment of all dental services regardless of dental insurance. As a courtesy to you we will process all your claims. We ask that you pay the deductible and co-insurance, which is the estimated amount not covered by insurance at the time we provide the service. We must emphasize that this is only an estimate and all charges you incur are your responsibility regardless of your insurance coverage. Insurance companies have a wide variety of rules, plan limitations and exclusions that our office may not be aware of. Dental insurance is a benefit for the patient provided by their employer and the contract lies between the patient, employer, and the insurance company. Our office is not part of that contract. We will cooperate fully with the regulations and request of your insurance company that may assist in the claim being paid. Once insurance has paid their share, a statement will be sent to you for any remaining balance and will be due upon receipt. If your insurance company has not made a payment within **30 days**, the unpaid balance becomes your responsibility and is subject to finance charges and the collection process.

For patients with dental insurance we are happy to work with your carrier to maximize your benefit and directly bill them for reimbursement for your treatment.

Thomas W Monahan IV DMD PA charges **\$30 for returned checks**.
